ALL HONOR TO THE BOYS

Miss Rue spent the holiday week-end with her parents at Nanton.

Mr. Allingham, recently returned from service overseas, is taking over the position of accountant in the Lomond branch of the Standard Bank.

Miss Horner spent the holiday season with friends at Blackie.

Local clothing dealers rose up and demanded protection by the village authorities against an outside hawker who started to do the town on Wednesday morning. If we must pay a \$25 business tax, we must also have this sort of competition eliminated.

The Press inadvertently omitted to include the name of Elmer Jensen as having been the recipient of a fraternal ring from the local I.O.O.F. Lodge.

W. W. Ainlay and Harry Clark were among those being called up for examination this week.

Mr. and Mrs. Henry Best and Mr. Mrs. Wm. Turley were up from Retlaw on Monday on a business trip. The ladies spent their spare moments shooting pool with the big barber. Some record shots were made.

Mrs. G. Pambrun of Medicine Hat is visiting with Mr. and Mrs. R. H. Hughes. Mrs. Pambrun and Mrs. Hughes were former classmates.

Quite a serious accident occurred near Yetwood last Sunday, when the neckyoke strap broke on the harness of a team driven by H. Bly. Mr. Bly was accompanied by his wife and two children and the horses became unmanageable on meeting a motor car. Mrs. Bly was thrown from the buggy and sustained a fracture of both bones in the left arm. The boy jumped from the rig and besides dislocating the ankle crushed two of the ankle bones. Dr. Walkey took charge of the case and started the injured members on the road to recovery.

Lomond is to have a series of four concerts this summer, the talent being derived from the Chautauqua circuit. The advance agent was in town on Tuesday and the contract was signed by the required number of business men. As all the events will be advertised well in advance no further exhortation can be given the public than to keep in readiness for entertainment that is really of high class and worth while.

Mrs. Ferris will speak at the Sunday evening service in the Lomond Church. Her subject will be "The Curse of the Double Standard".

Rev. W. H. Irwin is attending conference at Edmonton. The first draft of the stationing committee gives Mr. Irwin an Edmonton appointment, and Bell of Pincher Creek comes to the Lomond appointment.

Mrs. C. H. St. John is spending the week in Calgary.

Reeve Teskey acting as chairman made the presentations and called a programme consisting of singing by Mr. Erskine, Mr. Snowden, Mrs. R. L. King and little Miss Margaret Manning; Mr. Homer King and Mr. Kackley gave readings and Mr. H. Greig and Mr. R. L. King were called upon for a few remarks. Mrs. Lowe presided at the piano. Though unprepared for just such a call the new Lomond band at-

tended and furnished several musical numbers. A pleasant break in the programme was occasioned through the serving of generous helpings of ice cream.

C.P.R. townsites surveyors were in town this week.

John Holo has purchased the Varcoe residence, and through the deal Mr. Varcoe is now driving a new Brisco.

MILITARY SERVICE ACT, 1917

PUBLIC NOTICE is hereby given that, by the effect of the regulations of the Governor General of Canada in Council of the 20th of April, 1918, and the Proclamation of 4th May, 1918, recently published, every male British subject resident in Canada, born on or since the 13th of October, 1897, who has attained or shall attain the age of 19 years and who is unmarried or a widower without children must, (unless he is within one of the classes of persons mentioned in the schedule of Exceptions to the Military Service Act) report as hereinafter directed on or before the 1st day of June, 1918, or within ten days after his 19th birthday, whichever date shall be the latter.

Such report must be in writing and must give his name in full, the date of his birth and his place of residence and also his usual post office address.

The report must be addressed to the Registrar or Deputy Registrar under the Military Service Act of the Registration District in which he resides (see below) and shall be sent by registered post, for which no Canada postage is required.

Young men so reporting will not be placed on active service till further notice. They must, however, notify the appropriate Registrar or Deputy Registrar of any change of residence or address.

On receipt of the report an identification card will be forwarded by the Registrar which will protect the bearer from arrest.

Punctual compliance with these requirements is of great importance to those affected. Failure to report within the time limited will expose the delinquent to severe penalties and will in addition render him liable to immediate apprehension for Military Service.

ISSUED BY THE DEPARTMENT OF JUSTICE,
MILITARY SERVICE BRANCH, this 15th day of May,
1918.

NOTE: The men required to report should address their reports as follows:

BADGER LAKE

Mr. and Mrs. E. G. Haley opened their home on Monday to about sixty people when a farewell celebration was held for Roger Wilkinson and a presentation of a purse containing \$33 was made him on the eve of his departure to enter military service. Dancing was the chief entertainment and there were loads of ice cream and cake.

The Durand family took a trip to the Red Deer country this week to spend a couple of days with Jerome and wife.

Wm. Honess, Hardy Anderberg and Billy Boon are away to Calgary for military examination.

Cap Calkins has gone to Iowa for a holiday trip and to visit his two sons.

Owing to the fact that Rev. Saunders was suffering from a serious abscess on his jaw, no service was held at the school on Sunday. This was to have

been Mr. Saunders' last service at this appointment.

George Johnson is also away looking over a ranch land proposition in B.C.

F. A. Stephens had a slight touch of fast life the other day when his team of colts ran away. Nothing serious resulted from the incident.

Everyone is anxiously awaiting for warm weather and rain. The sloughs are fast drying up, though the water in Badger Lake is apparently sufficient to hold out for the season.

The Wilkinsons, P. Thompson and Cap Calkins have moved their superfluous stock to Eyres pasture for the summer.

If one were to seriously listen to some of the conversation re the effect of the draft, he would take it that Borden and a few of the members of the government were personally responsible for the war and all the measures necessary to combat the German menace. Below is given the Premier's words used in summing up the situation which immediately led to the call for the last draft.

"It must be recognized that the position is one of extreme gravity. There can be no other alternative than in view of the issues involved, Germany as a military power must be defeated, and to this end Canada must provide all the assistance in her power. We must supply the men necessary to keep our divisions up to full strength, no matter what casualties are suffered; and we must so organize our remaining human power as to maintain and if possible increase our agricultural production."

There is an air of suspense pervading the entire country, partly attributable to military developments and partly to the uncertainty of weather conditions favorable for the crops. For the time being it has a de-

moralizing effect on business. While we are not weather prophets we feel certain that indications are evident for the required moisture. As to the seriousness of the military situation there is no doubt, but we do not improve matters by disconcerting our business program. We must carry on, like the gallant troops at the front, until the call for service bids us make a change.

A word of welcome to the warm rain now falling.

ARMADA PICNIC

In spite of the coolness and the stormy appearance of the weather a large crowd assembled at high noon for the Armada Red Cross picnic and sale. Dinner, which was served in the school house, netted \$25.00. After dinner all manner of games were indulged in, including base ball and foot ball by selected teams. At four o'clock auctioneer Jewsbury opened the sale. Canned fruits, pickles, fancy work, mats, poultry, porkers, horses, etc., were placed under the hammer and everything offered readily found a buyer. The proceeds from this part of program amounted to \$135.00. The event was concluded by a very enjoyable dance at night.

The Armada Red Cross appears to be working under a weather hoodoo. Two weeks ago, the night of the big snow storm, there was a large crowd snow-bound for the night at the home of Mr. and Mrs. L. Thiesmeyer. There was a jolly time in the morning car cranking commenced.

A Ford Car Takes the Place of all These Things

WHEN you own a Ford you can do away with many articles that are a source of continuous expense to the man who still drives a horse. For instance, not only your driving-horse and buggy, but the single harness, blankets, whips, currycombs, brushes, horse-shoes, pitch-forks, feed-bins, etc.

In their place you have a speedy, dependable, dignified, roomy Ford Car—complete in itself. It is vastly superior to the narrow, cramped buggy that travels so slowly. And when a Ford is standing idle it does not eat three meals a day, and it requires no "looking after."

A Ford will save you time, trouble, and money. It is the utility car for the busy farmer and his family.

The Ladies' Aid will meet Thursday afternoon, June 6th., at the home of Mrs. Hunter. A cordial invitation is extended to all ladies to be present.

o o o

Mr. Scott Williams and Elsie Maronda were married at Lethbridge the 25th. Mr. Williams having been called recently to join the colors, will be leaving very soon.

o o o

The many friends of Mr. and Mrs. Louis Koch will be grieved to learn that their youngest child was drowned Tuesday in the cistern. Burial arrangements have not yet been made on account of not having a coroner in this district, Dr. Woodcock being away just now, studying.

o o o

The lumber has arrived for our new station.

o o o

Mr. George Hoadley, M.L.A., leader of the opposition, was a caller at the Ford Garage this week on his way to his ranch. Mr. Hoadley has been asked by Premier Stuart to become convenor of Southern Alberta in the big Red Cross drive to be held this summer. It is proposed to hold a convention in June at Calgary of the members of the legislature with all the presidents and secretaries of the local Red Cross branches in Alberta. The purpose of this convention is to organize for the big drive and get information and arouse enthusiasm. Such a convention has never been held in the province and should be of great benefit to the organization. Mr. Hoadley is also very much interested in the "horse-flesh" proposition. His idea is that if in times of peace some foreigners who are now prisoners of the Allies were accustomed to being fed on horse flesh, why not now? This is a question that is being studied and well looked into by the government. Mr. Hoadley being the investigator.

o o o

Mr. Andrews, representing the Great West Saddlery Co., was among the many travellers calling on Travers this week.

o o o

The farmers of this district held a large mass meeting on Tuesday evening to discuss the labor question and conscription of farmers' sons in the present draft. Petitions were sent to the U.F.A. as well as to the government.

o o o

Miss Porie is travelling this line making arrangements for the Ellison-White Dominion Lyceum Concert people to play these towns. Travers heartily endorsed the proposition.

Sad Drowning Fatality

An exceedingly sad fatality occurred at Wheat Centre on Tuesday when the eighteen months old child of Mr. and Mrs. L. Koch was found drowned in a cistern. The child had accompanied its mother to the stables but on the mother's return to the house was first missed. An immediate search revealed the shocking tragedy. The cistern was eighteen feet deep and contained water to the depth of three feet.

FARMERS CAN HOLD FLOUR STOCKS

Bona fide farmers who have in their possession holdings of flour in excess of amount fixed by the Canada Food Board will be permitted to retain them, subject to the order of the board. This is applicable only to flour milled wholly or in part from wheat which the farmer holds on or before June 15. The foregoing ruling was received by the Winnipeg office of the Food Board and is an amendment to the recently issued "flour hoarding" order. It further requires the farmer to report to the miller or dealer by whom it was manufactured the amount of the surplus holding.

BALL PROSPECTS

Base ball in Lomond got sort of a slam when the local nine fell before Vulcan professionals Saturday afternoon 15-3. Our line-up does not pose as the equal of such opponents. However, in spite of what has gone before and that several of the boys will go with this draft, 'there be hopes' under a healthy reorganization and a little enthusiasm from the town, of bringing out a fairly good team yet. There is no use burying a thing when it's only half dead.

NOTES

The Midway U. F. A. held a public meeting on Tuesday afternoon to prepare a memorial to the government on the actual effect of the last draft on the farming operations in this district. Their basis of action is quite logical. A commission might be appointed to deal openly and frankly with farmers in this issue and formulate a policy that would be the least likely to hamper work of food production and remove the air of suspense now hovering over the country. No doubt there will be provision made to carry on with the farm work, but the people should be told what it is to be.

Hail Insurance!

We are agents for the largest and strongest British and the largest and strongest American Hail Insurance Companies operating in Canada.

We wish our customers to remember that our service does not end when we have received your application. We are your agents as well as the agents of the companies until your hail insurance claim, if any, has been paid to you.

In 1916, the very severe hail year, many companies discontinued writing hail insurance. Small companies experienced difficulty in meeting their payments. Why take chances with little companies? When we can insure your crop with a strong and thoroughly reliable company at absolutely the very lowest rates obtainable from any hail company operating under the supervision of the Western Canada Hail Underwriters Association.

The companies we represent are The Home, The Employers Liability, The British Crown and The British America, with total assets of Over Sixty-Five Million Dollars.

If in doubt regarding the business standing of any hail company, call at our office. We have the government records.

Lomond U. F. W. A. Taking
Hold of "Trinket Fund"
to Aid the "Y"

Canada is starting to raise \$25,000.00 for the "Y" free coffee stalls by a "Silver Thimble and Trinket Fund" and the Lomond U.F.W.A. is taking the fund in hand locally. They have established a depot in The Press office where they will be pleased to receive donations of old gold or silver thimbles, brooches, chains or links of chains, scarf pins, gold or silver tops of canes, umbrellas or bottles, bracelets, rings and earrings, silver match boxes, old gold and silver watches, odd cuff links, studs, watch charms, broken spoons, forks or toilet articles in sterling silver, coins in gold or silver which have been monogrammed or punched. Anything sent in which would be of more value as it stands than as mere metal, will be sold intact. The rest will be melted down and turned into coinage.

We all know some of the "Y" other war-area activities. The "Y" distributes over a million sheets of free note-paper every month, on which are written the 30,000 letters that go out of the Red Triangle Huts in England and France every day to relatives in Canada, who would rather have those scrawled, blotted chronicles of Private Johnny's share in the great war, than bank drafts or invitations to Buckingham palace. The "Y" spent \$25,000 on a single order for base ball goods for its great behind-the-lines sport events. The "Y" distributes 140,000 magazines every month—spends \$1000 a month on concerts for the boys in England alone—provides 100 pianos, 300 gramophones, 27 moving picture machines — holds uncounted religious services and sing-songs for the men in rest billets and training camps abroad. But the drinks are the most appreciated of all the things the Y. M. C. A. has found to do. Picture 75,000 cups of coffee in a line. That many cups go out over the counter every day to our boys. Only, in the forward areas, the counter is just as apt to be a dilapidated ex-barn-door, and the cups are jam tins with the punched-out, turned-back covers for handles.

The call is becoming so great that everyone has simply got to help. We must not let the boys go short. Bring in your little bit, be it ever so small, it will help a most worthy cause.
